Event invitation ideas for inspiration.

What detials to include in your event invitation.

What is an event invitation?

Handwitten and printed.

Do

What behavior have we observed? What can we imagine them doing?

n ?

I extended my hand out to the

I extended my hand out to the side and held it there "til her nose followed the feel.

Experience is what I simultaneously refer to as upward cycles of progress.

Feel is what allows us ti communicate our intention through physical

Your invite

should reflect

the theme of

the event.

Feels

What are their fears, frustrations, and anxieties? What other feelings might influence their behavior?
